

Membership Terms

Full Memberships

Full membership is unisex, but we do have different playing days for ladies and gents events, as well as mixed gathering. We have a discounted full membership for players over age 75.

We host ladies' competitions on Tuesdays with Sundays as an alternative. Gents competitions are usually held Saturdays and occasionally Sunday, and we have recently introduced a midweek stableford. Seniors events fall on weekdays.

Mixed gatherings are frequent with four annual trophy events and social competitions.

Affiliation Fees

All members need to pay the annual Affiliation Fees charged by England Golf and the Staffordshire Union of Golf Clubs. These are separate to club membership fees and not payable in instalments although collected by the club. Affiliation fees are currently:

	England Golf	Staffordshire Union of Golf	Total Annual
Gents	£9.50	£8.00	£17.50
Ladies	£9.50	£8.50	£18.00

Reciprocal Green Fee Arrangements

Currently we have reciprocal green fee arrangements with the following clubs, though these perks may change and evolve: Brocton Hall, Ingestre Park, Shrewsbury, Arscott, Vale of Llangollen, Royal St Davids, Harlech and Llanymynech.

Club Facilities

All player members benefit from use of all the club facilities, including Peter Baker Golf Academy lessons, the practice area, pro shop services, locker rooms and washing facilities, and clubhouse bar and dining areas.

Clubhouse Social Membership

Social members have access to the clubhouse facilities and you are welcome to invite guests. This category of membership does not extend to the course or using practice facilities, but you are welcome to use the pro shop services and book lessons at the Peter Baker Golf Academy.

Country Membership

We appreciate more distant golfers may not use the club as often as locals. This category is available if you neither live nor work within 20 miles of the club. There is no restriction on club visits or golf round you can play, and you are treated as a full member in every respect.

Occasional Golfer Membership

Known as our 'House Playing Membership', this entitles you to purchase a book of 14 or 28 rounds at a competitive price; you can initially purchase 14 and upgrade to 28 at any time during the calendar year from your original purchase. House playing members cannot play in Trophy competitions but are welcome at other events.

Student Membership

Students up to age 24 must be in full-time education to qualify.

Bar discount card

All members, including social members, will be provided with a 10% discount on all drinks purchased in the clubhouse on presentation of their member discount card.
